Introduction

The Alberta Cultural Heritage Foundation was established through the Cultural Development Act in 1978, and reports to the Legislature through the Minister of Culture, the Honourable Mary J. LeMessurier.

Funds for the operation and work of the Foundation come from revenues of the Western Canada Lottery (Alberta Division). The Alberta Cultural Heritage Foundation is one of a number of foundations and organizations receiving funds from the lottery.

The Foundation provides financial assistance to persons, groups and organizations undertaking projects which relate to the objectives stated below, meet guidelines established by the Foundation's Board of Directors, and whose applications are approved by the Board.

In recognition of the significant accomplishments of the Foundation, the Government earlier this year endorsed an increase in lottery revenues to the Foundation from the Western Canada Lottery (Alberta Division). Additionally, through the Alberta Culture Heritage Act (November, 1984) the Government elaborated the Foundation's mandate, and reaffirmed its commitment to Alberta's cultural heritage.

The purpose of the Foundation is to provide persons, groups and organizations with the opportunity to participate in the preservation, development and promotion of the cultural heritage of Alberta.

The objectives of the Foundation are:

- to encourage respect for the cultural heritage of Alberta;
- to promote tolerance and understanding of others through appreciation of the ethno-cultures that make up the cultural heritage of Alberta;
- to recognize that the presence of ethno-cultural groups in Alberta provides Albertans with an opportunity to develop relationships with other countries;
- to foster an environment in which volunteer groups and individuals can contribute to the cultural heritage of Alberta;
- to enhance the cultural heritage of Alberta so that present and future Albertans can benefit from its richness and diversity.

Board of Directors

Chairman's Report

Craig Curtis, Chairman
Red Deer

As the newly-appointed Chairman of the Alberta Cultural Heritage Foundation, I am pleased to comment on the activities and programs undertaken during the 1984/85 fiscal year. In accepting this position I recognize the work done by previous Chairmen, and wish to thank Mr. Ted Van Eeken for his Chairmanship during 1984/85.

The Foundation was established under the Cultural Development Act in 1978, and in 1981 members strongly supported the principles of the policy paper "New Directions on Cultural Diversity in Alberta". This policy resulted in the new Alberta Cultural Heritage Act and related initiatives announced by the Minister of Culture during this year.

The Alberta Cultural Heritage Act constituted a reaffirmation and renewed commitment by the Government of Alberta towards Alberta's cultural heritage. One item of particular importance to the Foundation is the fact that the new Act now gives it common objectives with the Alberta Cultural Heritage Council and the Cultural Heritage Division of Alberta Culture. At this same time the Alberta Cultural Heritage Council was restructured to include eight Regional Councils and a Provincial Co-ordinating Committee. The funding of this Council remains one of the Foundation's top priorities.

The completion of the lottery review in January, 1984 had the most significant impact on the Foundation's activities during the year. The review resulted in an increased allotment of funds of up to 1.3 million dollars annually from the Alberta Division of the Western Canada Lottery.

The Foundation's major initiatives during the year included:

- the completion and release of the Alberta People Kit;
- the ongoing funding of the Alberta Cultural Heritage Council;
- the establishment of a Long Range Planning Committee to develop new projects relating to its objectives;
- the development of a policy for the funding of multicultural centres;
- the development of a comprehensive grant program to be brought into effect in 1985/86.

The announcements and publicity surrounding the adoption of the new Act and the lottery review created greatly increased interest in the Foundation's activities. This in turn resulted in a far greater number of grant applications. To cope with this the Board created specific grant categories and new areas were discussed and introduced for funding. These included Educational and Media projects and Publications. In addition, the Foundation recognized the need to make major funding available to Alberta's four multicultural centres and to other large umbrella groups, which meet its objectives. In total 186 projects were supported during the year within the allocated budget.

The increased activity of the Foundation created a workload, which was beyond the capacity of existing staff. This resulted in the complete reorganization of the administration, and the subsequent appointment of Mr. Gene Zwozdesky as Administrative Director.

In summary, the Foundation's programs have served to stimulate cultural heritage development throughout the Province. Projects ranging from teaching materials to festivals to interprovincial exchanges to linguistic awards and films have all contributed to heightening the awareness of the heritage of Albertans. The Foundation's objective of promoting tolerance and understanding is being met in a pro-active and creative manner.

On behalf of the Board and staff of the Foundation, I would like to thank the Minister of Culture, the Honourable Mary LeMessurier for her valuable leadership during the year. In addition, our sincerest thanks and congratulations are extended to the Board Secretary, Beth Bryant, on her appointment as Assistant Deputy Minister of the Cultural Heritage Division, Alberta Culture.

Administrative Director's Report

Gene Zwozdesky,
Administrative Director

During 1984/85, the phenomenal success of lotteries in Alberta resulted in opportunities for a record number of groups and individuals to participate in the preservation, development and promotion of Alberta's cultural heritage. These opportunities were afforded through an expanded grants program which was accompanied by increased administrative challenges. To that end, effective September 1, 1984, I was pleased to accept responsibility for the co-ordination of the grants program in addition to continuing my function as Director of the Alberta People Kit project.

In fact, a great highlight of the past year was the official introduction of the Alberta People Kit by the Minister of Culture, the Honourable Mary J. LeMessurier, on September 24, 1984 in Calgary. This marked the culmination of nearly 5 years of research and development by the Foundation. The project demonstrated a commitment by the Foundation to help increase awareness, tolerance and understanding of others. As a follow-up to this commitment I presented over 40 in-services to help Alberta's and Canada's teaching community implement this valuable teaching/learning resource.

Through the development and production of 500 of these Kits, the Foundation helped further Alberta's leadership role in the area of multiculturalism. The Foundation was pleased to receive supportive comments and/or purchase orders for the Kit from across Canada, the U.S.A. and points overseas.

For their support of the Alberta People Kit project, I wish to expressly thank all past and present members of the Foundation's Board, Dr. Emily Odynak (Curriculum Developer), and in particular those individuals who comprised the project's Steering Committee.

Other highlights this past year included visiting and liaising with many groups and individuals from all over Alberta and offering them assistance to help make their projects a reality. Unfortunately, the requests for assistance from this Foundation far exceeded the dollars available; consequently, it simply was not possible to fund every request. However, the success of the many projects that were funded speaks well for the decisions taken.

It has been a great pleasure during this first term of my appointment to work with such a committed Board whose combined sensitivities, knowledge and skills were so beneficial throughout every aspect of the administrative process. Additionally, I extend personal thanks to the Foundation's staff for the dedication they have shown in fulfilling their tasks. I wish also to gratefully acknowledge the assistance and advice provided to this Foundation by staff members from the Cultural Heritage Division of Alberta Culture, and from the Western Canada Lottery (Alberta Division).

In closing I wish to thank the Minister of Culture, the Honourable Mary J. LeMessurier, and Mrs. Beth Bryant, Assistant Deputy Minister, for their direction in helping this Foundation maximize its endeavours for the benefit of all Albertans.

Alberta People Kit

The Alberta People Kit is a multimedia cultural heritage awareness program primarily for upper elementary students in Alberta. The general objectives of the Kit are: to provide a cross-cultural base which can promote the study of cultures; to make students aware of the contributions that Native and ethno-cultural groups make to Alberta and Canada; to increase the student's self-awareness and thereby promote the development of a positive self-image; to promote an understanding and respect for individual and group beliefs and values by encouraging students to explore their own cultural traditions and social customs as well as those of others.

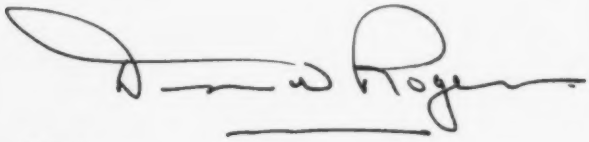
Auditor's Report

To the Members of
The Alberta Cultural Heritage Foundation

I have examined the balance sheet of The Alberta Cultural Heritage Foundation as at March 31, 1985 and the statements of revenue, expenditure and surplus and changes in financial position for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Foundation as at March 31, 1985 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles applied, after giving retroactive effect to the change in the method of accounting for grants as explained in Note 3 to the financial statements, on a basis consistent with that of the preceding year.



F.C.A.
Auditor General
